## INSTRUCTIONS

1. Wipe a damp sponge over the entire plate to remove dust and contaminants.
2. Trace the design from the pattern sheet onto the tissue paper with a pencil.
3. Place the tissue paper pattern on the pottery and trace over the lines with a water-based marker to transfer the lines.
4. Paint 3 coats of Red Hot on the top of the head, body, top of the wing, and the tail.
5. Paint the rest of the wing with 3 coats of the following color pattern from top to bottom: Sunny Side Up, Grasshopper, and Saffire.
6. Paint 3 coats of Licorice on the eye and bottom of the face.
7. Paint 3 coats of Cinnamon Stick on the branch.
8. Paint 3 coats of Licorice on the talons.
9. With a liner brush, carefully outline the design with Licorice.
10. With Snow Flake, add small eye shine dots with the back of a paint brush.
11. Using the back of the pencil like a stamp, make Licorice dots around the edge of the plate as a border.

## TIPS

- Allow paint to dry between coats.
- Wash brush between colors.
- Use a contrasted colored marker to make the pattern more visible as you are painting.
- Use masking tape to hold the tissue paper while you are tracing if it shifts.
- To get thinner lines when you are outlining shapes with your liner brush, press down lightly. The harder you push on the brush, the thicker your lines will be.
- Periodically rinse your liner brush to remove color build-up to keep your lines a consistent size.
